OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 17 June 1970

1. (Internal Use Only - JGO) Received a call from Mr. George Mannina, Assistant to Representative Gilbert Gude (R., Md.), concerning Representative Gude's High School Intern Program, who requested consideration again this year for an Agency speaker and a visit to the Headquarters as was done last year. The program at present is flexible between 24 June and 10 July. I thanked Mr. Mannina for his call and told him I would be back in touch with him tomorrow.

2. (Confidential - JGO) Received a call from Lt. Col. A. D. Wells, Army Budget, who called to alert me that Representative John J. Rhodes (R., Ariz.), may be calling concerning Ambassador Godley's visit to the United States next month. Col. Wells was reminded in conversations earlier today with Representative Rhodes' staff that this office had handled earlier contacts with the Ambassador concerning Representative Rhodes' Far East trip.

3. (Confidential - GLC) George Murphy, Joint Committee on Atomic Energy staff, called and asked for such information as we might have on a member of the Soviet delegation to the SALT talks, a Mr. Grivenski. I told him I would check on it and be in touch.

Murphy asked if I would also check the Director's calendar to determine his availability for a luncheon visit with Representative Catherine May (R., Wash.) and I will do this.

He also asked if we had anything further on the "yellow cake" uranium question and the Martin case.
